

Advanced Clinical Massage

Sue Hannaford ACMT MCThA

Too busy in the week for treatment?

Saturday appointments now available for effective Therapeutic Massage and great Hot Stone Massage!

As well as Tuesday appointments in Caterham and Thursdays in Sanderstead, treatments are now available on Saturday mornings.

Especially for those who can't easily make appointments during the week, the Saturday morning appointments will be introduced at Therapies in Sanderstead.

Or perhaps it's easier to organise child-care at the weekend? Call or email me if you'd like to book an appointment.

Advance notice of price changes

From February 2012, my treatment prices are increasing. The new prices are listed to the right. For current prices, please visit my [website](#).

Gift Vouchers

As usual, gift vouchers are available for any occasion and make great Christmas presents. They are valid for 3 months (if they are for Christmas they will expire at the end of March 2012) and are, of course, available at current prices. As you may know, I extend the validity as long as the recipient has contacted me to book by the expiry date.
